New York

Dear Hiring Manager,

I am writing to express my interest in the summer internship opportunity at JP Morgan Chase & Co. As a Sathyabama Institute of Science and Technology student studying Bachelor of Engineering in Computer Science and Engineering, I am eager to contribute to your team and gain practical experience in finance.

With coursework in finance, accounting, and business principles, I have developed strong analytical skills and attention to detail. Previous internships have provided me with hands-on experience in financial analysis and risk management, and I am excited to apply these skills at JP Morgan Chase & Co.

I am eager to contribute to JP Morgan Chase & Co's summer internship program by leveraging my academic background in Computer Science and my hands-on experience in finance. I am committed to learning from industry professionals, collaborating with diverse teams, and delivering results that align with the company's objectives.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills align with the internship position.

Yours Sincerely,
B. Vishnu Siva
