Vishnu Siva B

Summary

I am Vishnu Siva B, a second-year undergraduate student at Sathyabama Institute of Science and Technology, Chennai, majoring in Computer Science, I have cultivated a strong foundation in web development, with a keen interest in expanding my knowledge in the fields of AI/ML and AR/VR. My passion for technology is demonstrated through a series of ambitious projects, where I have taken on the roles of both a developer and a designer, showcasing my versatility and commitment to the field. I am a dedicated and resourceful individual, always looking for opportunities to apply my skills in real-world scenarios, enhance my learning, and contribute to the growth of the organizations I am involved with. My goal is to secure an internship where I can continue to grow professionally, leveraging my existing skills while embracing new challenges and technologies.

Skill Highlights

- Full Stack Web Development
- Machine Learning
- Deep Learning
- Reactjs
- Flask
- HTML CSS

Experience

Machine Learning Intern

02/2024 - Present **Benx Solutions LLP** Chennai, India

- Constructed supervised and unsupervised learning models using Python libraries
- Developed machine learning models and algorithms for predictive analytics
- Performed exploratory analysis to identify patterns in datasets. Optimized existing codebase for better scalability and efficiency

Web Development Intern

01/2024 - 02/2024 **Codsoft** Chennai, India

- completed a one-month web development internship at CodSoft, immersing myself in HTML, CSS, and JavaScript.
- Through hands-on projects and real-world challenges, I enhanced my technical skills and problem-solving abilities.
- The supportive team environment and mentorship contributed significantly to my professional growth

Web Development Intern

01/2024 - 02/2024 **TechnoHacks EduTech Official** Chennai, India

- During my one-month Web Development Internship at TechnoHacks EduTech Official, I sharpened my skills in HTML, CSS, and JavaScript while collaborating with a diverse team to translate ideas into impactful solutions.

Education

Bachelor of Engineering in Computer Science

09/2022 - Present Sathyabama Institute of Science and Technology

Bachelor of Science in Data Science and Applications

01/2023 Indian Institute Of Technology–Madras Chennai, India

HSC in Computer Science

06/2021 - 06/2022 Velammal Vidhyashram CBSE Chennai, India

Certifications

Harvard CS50P: **CS50's Introduction to Programming with Python**

Harvard CS50P: **CS50's Introduction to Programming with Python**

Udemy: Big data Programming language and Bigdata VS Data Science
